AND INJUNCTIVE RELIEF
PURSUANT TO THE
TELEPHONE CONSUMER
PROTECTION ACT, 47 U.S.C §
227 ET SEQ.****JURY TRIAL DEMANDED****INTRODUCTION**

1. ERIK KNUTSON ("Plaintiff") brings this class action for damages, injunctive relief, and any other available legal or equitable remedies, resulting from the illegal actions of

SCHWAN'S HOME SERVICE, INC., and its related entities, subsidiaries and agents ("Defendant") in negligently, knowingly, and/or willfully contacting Plaintiff on Plaintiff's cellular telephone, in violation of the Telephone Consumer Protection Act, 47 U.S.C. § 227 et seq., ("TCPA"), thereby invading Plaintiff's privacy. Plaintiff alleges as follows upon personal knowledge as to himself and her own acts and experiences, and, as to all other matters, upon information and belief, including investigation conducted by his attorneys.

JURISDICTION AND VENUE

1. Jurisdiction is proper under 28 U.S.C. § 1332(d)(2) because Plaintiff seeks up to \$1,500 in damages for each call in violation of the TCPA, which, when aggregated among a proposed class number in the tens of thousands, exceeds the \$5,000,000 threshold for federal court jurisdiction. Further, Plaintiff alleges a national class, which will result in at least one class member belonging to a different state than that of Defendant. Therefore, both elements of diversity jurisdiction under the Class Action Fairness Act of 2005 ("CAFA") are present, and this Court has jurisdiction.
2. Venue is proper in the United States District Court for the Southern District of California pursuant to 18 U.S.C. § 1391(b) and 1441(a) because the events giving rise to Plaintiff's causes of action against Defendant occurred within the State of California and Defendants conducts business in the County of San Diego.

PARTIES

2. Plaintiff is, and at all times mentioned herein was, an individual citizen and resident of the State of California.
3. Plaintiff is informed and believes, and thereon alleges, that Defendant is, and at all times mentioned herein was, a corporation whose primary corporate address is 115 West College Drive, Marshall MN 56258. Defendant is, and at all times mentioned herein was, a corporation and a "person," as defined by 47 U.S.C. § 153 (10). Plaintiff is informed and believes, and thereon alleges, that at all times relevant Defendant conducted business in the State of California and in the County of San Diego.

FACTUAL ALLEGATIONS

3. On or about April 13, 2012, at approximately 12:03 p.m. Plaintiff received a telephone call on his cellular telephone from Defendant where Defendant used “an artificial or prerecorded voice” as prohibited by 47 U.S.C. § 227 (b)(1)(A).
4. The telephone number Defendant called was assigned to a cellular telephone service for which Plaintiff incurs a charge for incoming calls pursuant to 47 U.S.C. § 227 (b)(1).
5. This telephone call constituted a call that was not for emergency purposes as defined by 47 U.S.C. § 227 (b)(1)(A)(i).
6. Plaintiff did not provide express consent to Defendant to receive calls on Plaintiff’s cellular telephone, pursuant to 47 U.S.C. § 227 (b)(1)(A).
7. Plaintiff did not provide “prior express consent” to Defendant to place telephone calls to Plaintiff’s cellular phone with an artificial or prerecorded voice as proscribed under 47 U.S.C. § 227(b)(1)(A).
8. This telephone call by Defendant was in violation of 47 U.S.C. § 227(b)(1).

CLASS ACTION ALLEGATIONS

9. Plaintiff brings this action on behalf of himself and on behalf of and all others similarly situated (“the Class”).
10. Plaintiff represents, and is a member of, the Class, consisting of all persons within the United States who received any telephone call from Defendant or its agent/s and/or employee/s to said person’s cellular telephone made through the use of any automatic telephone dialing system or with an artificial or prerecorded voice, which call was not made for emergency purposes or with the recipient’s prior express consent, within the four years prior to the filing of this Complaint.
11. Defendant and its employees or agents are excluded from the Class. Plaintiff does not know the number of members in the Class, but believes the Class members number in the tens of thousands, if not more. Thus, this matter should be certified as a Class action to assist in the expeditious litigation of this matter.

12. Plaintiff and members of the Class were harmed by the acts of Defendant in at least the following ways: Defendant illegally contacted Plaintiff and the Class members via their cellular telephones thereby causing Plaintiff and the Class members to incur certain cellular telephone charges or reduce cellular telephone time for which Plaintiff and the Class members previously paid, by having to retrieve or administer messages left by Defendant during those illegal calls, and invading the privacy of said Plaintiff and the Class members. Plaintiff and the Class members were damaged thereby.
13. This suit seeks only damages and injunctive relief for recovery of economic injury on behalf of the Class and it expressly is not intended to request any recovery for personal injury and claims related thereto. Plaintiff reserves the right to expand the Class definition to seek recovery on behalf of additional persons as warranted as facts are learned in further investigation and discovery.
14. The joinder of the Class members is impractical and the disposition of their claims in the Class action will provide substantial benefits both to the parties and to the court. The Class can be identified through Defendant's records or Defendant's agents' records.
15. There is a well-defined community of interest in the questions of law and fact involved affecting the parties to be represented. The questions of law and fact to the Class predominate over questions which may affect individual Class members, including the following:
- a. Whether, within the four years prior to the filing of this Complaint, Defendant made any call (other than a call made for emergency purposes or made with the prior express consent of the called party) to a Class member using any automatic telephone dialing system or an artificial or prerecorded voice to any telephone number assigned to a cellular telephone service.
 - b. Whether Plaintiff and the Class members were damaged thereby, and the extent of damages for such violation; and
 - c. Whether Defendant should be enjoined from engaging in such conduct in the future.

16. As a person that received numerous calls using an automatic telephone dialing system or an artificial or prerecorded voice, without Plaintiff's prior express consent, Plaintiff is asserting claims that are typical of the Class. Plaintiff will fairly and adequately represent and protect the interests of the Class in that Plaintiff has no interests antagonistic to any member of the Class.

17. Plaintiff and the members of the Class have all suffered irreparable harm as a result of the Defendant's unlawful and wrongful conduct. Absent a class action, the Class will continue to face the potential for irreparable harm. In addition, these violations of law will be allowed to proceed without remedy and Defendant will likely continue such illegal conduct. Because of the size of the individual Class member's claims, few, if any, Class members could afford to seek legal redress for the wrongs complained of herein.

18. Plaintiff has retained counsel experienced in handling class action claims and claims involving violations of the Telephone Consumer Protection Act.

19. A class action is a superior method for the fair and efficient adjudication of this controversy. Class-wide damages are essential to induce Defendant to comply with federal and California law. The interest of Class members in individually controlling the prosecution of separate claims against Defendant is small because the maximum statutory damages in an individual action for violation of privacy are minimal. Management of these claims is likely to present significantly fewer difficulties than those presented in many class claims.

20. Defendant has acted on grounds generally applicable to the Class, thereby making appropriate final injunctive relief and corresponding declaratory relief with respect to the Class as a whole.
